## WHAT IS A CCOT?

County Communities on Transition (CCOT) is a team of dedicated individuals, working together to identify issues, barriers, supports and solutions to help students with disabilities make a successful transition from high school to their post-secondary goals. Whether a student's goal is related to training, education, employment, or simply living independently, we want to connect students and parents to the resources and information they need to succeed!

## HOW DO I JOIN CCOT?

Are you a student, family member, guardian or local business and want to join? Or have a topic you'd like to see us cover?

Please email us at [ADRC@jacksoncountywi.gov](mailto:ADRC@jacksoncountywi.gov) to be added to our mailing list. CCoT meets once a month and would love to have you join!
